Greek salad with Cucumber, Olives, Red onion, Feta & Olive oil dressing.
Mixed bean salad with Red kidney, Borlotti, Green Lima Beans & Chick Peas in a Sunflower oil vinaigrette, Cole Slaw, Potato Salad.

Plates & Cutlery also Included with the Salad option but not with Hogroast only.

Salad may vary due to seasonal availability

How is it done ?

The Hogroast is roasted here on our premises and transported to your venue where we carve and serve to you and your guests as a buffet style , we supply all tables and table covering for our needs Generally we will arrive 30 to 40 minutes before the serving time we require clear access on arrival as moving cars etc will cause delays.

Booking your Hogroast

When you book your Hogroast with us we will invoice you for a deposit of £100.00 the payment of this will confirm your booking with us, you can change some details of your booking later such as serve time and venue but not the date. Usually the main account is due on or before the booking date before is preferable call or email us and we will invoice you the full amount.
